BUFFALO

Direct Attached Storage

DriveStation® External USB 3.0 Hard Drive

2 YEAR WARRANTY

Buffalo's DriveStation USB 3.0 Hard Drive HD-LBU3 is the next generation of high speed external hard disk and offers SuperSpeed transfer speeds of up to 130MB/s, 3 times faster than USB 2.0. Backwards-compatible with all USB 2.0 enabled computers and notebooks, the DriveStation USB 3.0 is an easy to use external hard drive to add additional external storage to any device using a USB port. The DriveStation features a sleek, black glossy chassis that can be positioned vertically or horizontally, adapting to the location it is used in for an efficient use of space.

An easy to use, economical and silent solution and with Auto installation and auto power on/off, you can quickly store, access, and transfer files, digital images, documents, and back-ups. Just plug it in to a PC or Mac and it works!

DriveStation® External USB 3.0 Hard Drive

USB 3.0 Super Speed | USB 2.0 compatible
